Report on the Financial Statements

We have audited the accompanying financial statements of Kids Central, Inc. (the Corporation) a nonprofit organization, which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2016 and 2015, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Summary of Significant Accounting Principles

Organization

Kids Central, Inc. (the Corporation) is a not-for-profit organization organized under the laws of the State of Florida; receiving most of its revenue from state and federal funds. The Corporation formed March 22, 2002, pursuant to the *Florida Not-for-Profit Organization Act*, Chapter 617, Florida Statutes. The Corporation is a community based care agency that serves as a lead agency in the privatization of foster care services in accordance with Section 409.1671 of the Florida Statutes in Marion, Lake, Citrus, Sumter, and Hernando Counties, Florida. The services provided as a lead agency include:

- Providing Child Protection and Welfare Services to Children
- Procuring the Following Items on Behalf of Children: Foster Care, Emergency Shelter, and Group Home Care
- Helping Abused, Neglected, and Abandoned Children
- Providing Community Education about the Needs and Issues of Children

The Corporation is governed by a Board of Directors made up of individuals who are nominated by a nominating committee and elected by the Board of Directors.

Basis of Accounting

The Corporation follows standards of accounting and financial reporting prescribed for nonprofit organizations. It uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred. Federal, state, and local government grants are recorded as support when performance occurs under the terms of the grant agreement. Revenues are recorded based upon the earlier of when costs are eligible to be billed or eligible expenses are incurred.

Financial Statement Presentation

Net assets of the Corporation and changes therein are classified and reported as follows:

- Unrestricted Net Assets—Net assets that are not subject to donor-imposed stipulations.
- **Temporarily Restricted Net Assets**—Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Corporation and/or the passage of time.

Recognition of Donor-Restricted Contributions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period, which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Under this premise the Corporation accounts for its funding from the Florida Department of Children and Families (DCF) as one unrestricted function.

Restricted Cash – Client Trust Funds

Cash restricted and set aside on behalf of clients is not available for operating purposes. These funds are maintained in their own designated bank account.

Note 1 - Summary of Significant Accounting Principles (Continued)

Property and Equipment

The Corporation capitalizes all property and equipment with a cost of greater than \$1,000 and an estimated useful life exceeding one year.

Property and equipment, consisting of office furniture, equipment, and software are recorded at cost if purchased or fair value if donated and depreciated over their estimated useful lives of three to seven years using the straight-line method. Vehicles are recorded at cost and depreciated over their estimated useful lives of seven years using the straight-line method. Repairs and maintenance are expensed as incurred.

Title to property and equipment purchased with DCF funds vest with the DCF upon completion or termination of DCF contracts.

Grants Receivable and Accounts Receivable

Receivables are recorded by the Corporation for funds to be received from various federal and state grants as revenues are earned. The grants receivable balance includes amounts due under the DCF contract for the current fiscal year, including amounts recorded as deferred revenues to be earned subsequent to year-end. An allowance for uncollectible receivables has not been recorded, as all amounts are deemed collectible. It is the Corporation's policy to charge-off uncollectible accounts receivable when management determines the receivable will not be collected.

Donated Space, Supplies, and Services

In accordance with *Accounting Standards Codification* (ASC) 958-605-50-1, *Contributions of Services*, shall be recognized if the services received: (a) create or enhance nonfinancial assets; or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services that do not meet the above criteria are not recognized.

Certain federal and state grants require matching contributions from the community and the receiving entity. The Corporation treats the matching contributions provided to sub-recipients as matching contributions received by the Corporation. In some instances federal grant matching contribution requirements are met with state funding.

Income Taxes

The Corporation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not reflect a provision for income taxes.

The Corporation files income tax returns in the U.S. federal and state jurisdictions. With few exceptions, the Corporation is no longer subject to U.S. federal, state, and local, or non-U.S. income tax examinations by tax authorities after three years from the due date of the tax return.

Cash and Cash Equivalents

Cash and cash equivalents consist solely of demand accounts in the name of the Corporation. Funds held at year-end and at various times during the year exceeded the limits under the Federal Deposit Insurance Corporation.

Note 1 - Summary of Significant Accounting Principles (Concluded)

Deferred Revenues

The Corporation receives advanced funding through the year from DCF. The unearned portion of those funds is classified as deferred revenues. The balance of deferred revenues may include amounts received and receivable.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Evaluation of Subsequent Events

The Corporation has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through November 14, 2016, the date the financial statements were available to be issued.

Statement of Functional Expenses

The Corporation incurs costs that are directly or indirectly allocate-able to its programs. These costs and their allocations have been reported in the statement of functional expenses. Direct costs are allocated directly to the programs through the Corporation's account coding function. Indirect costs are allocated to the programs based on one of the following methodologies: 1) number of full-time equivalent (FTE) positions; 2) number of actual employees; 3) by individual employee; or 4) by the number of children served in the program. The allocations are in accordance with the annual Cost Allocation Plan (CAP) prepared by the Corporation and approved by the DCF.

Note 3 - Property and Equipment Temporarily Restricted for Federal and State Programs

The Corporation owns property and equipment whose acquisition has been funded by various federal and state programs. The use, removal, or replacement of this property and equipment is controlled by the granting agency and title may revert back to the agency in the event the activities of the program are prematurely terminated. ADDITIONAL ELEMENTS OF REPORT PREPARED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, ISSUED BY THE COMPTROLLER GENERAL OF THE UNITED STATES; THE UNIFORM GUIDANCE, AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Kids Central, Inc. Ocala, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by Comptroller General of the United States, the financial statements of Kids Central, Inc. (the Corporation), a nonprofit organization, which comprise the statements of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 14, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect, and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency or combination of deficiencies, in internal control that is less severe that a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (Concluded)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

Board of Directors Kids Central, Inc. Ocala, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited Kids Central, Inc.'s (the Corporation) compliance with the types of compliance requirements described in the OMB *Compliance Supplement*, and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the Corporation's major federal programs and state projects for the year ended June 30, 2016. The Corporation's major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Corporation's major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits obtained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or the state project occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and major state project. However, our audit does not provide a legal determination of the Corporation's compliance.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

(Concluded)

Opinion on Each Major Federal Program and State Project

In our opinion, the Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program or state project and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect, and correct noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented or detected, and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.
